The subject was the motto of the society which was displayed in evergreens, "For Christ and the Church." The speaker alluded to the duty of the disciples as expressed in the words "Ye are witnesses of these things," and of the duty of members of the Endeavor Society as disciples. He advised that the christian young people should concentrate their energies in behalf of the religious denomination to which they belonged as being thereby likely to achieve better results than by scattering their energies over several fields. FRANK OLIVER. — PROPRIETOR.

EDMONTON BULLETIN, MARCH 4th, 1895.

ELECTION ADDRESS.

To the electors of Alberta.

GENTLEMEN.—As the nominee of the convention of Alberta liberals which was held recently at Calgary, and having been assured of a strong support by the patrons of industry in Northern Alberta, as well as at the solicitation of a large number of independent conservatives in this part of the country, I have the honor to offer myself as a candidate for the representation of Alberta in the Commons at the approaching general election. The stand which I take with the full knowledge and consent of those who have tendered me their support is that of an independent as to party, but not as to principle. On the main question at present at issue between the liberal and conservative parties, I understand that the organizations and individuals tendering me their support have done so with the wish and expectation that I would and will so far as lies in my power support the policy of a tariff for revenue as against the policy of a tariff for protection, which is the declared policy of the present government; on the ground that the protective policy discriminates unjustly against the western producer in favor of the eastern manufacturer.

Although holding strongly with the liberal party and also the patron organization on this point, I have not bound myself to either of these because I believe that the first duty of the single representative of so great a country holding such great possibilities as this district of Alberta, should be to use his every energy for the further development of this country and the realization of these possibilities; as he can not if he is to be subject to restraint by the exigencies of any party. This constituency has had party representation during the past eight years,—has been represented by a member of the party in power then and now. If the results have been satisfactory, that principle should be continued. If not it should be changed. It is because I believe that this system of party representation has been gravely injurious to this district that I have consented to make the personal sacrifice involved in my candidature, and because, so far as I knew, no other person was likely to come forward to advocate these or like views.

In a region so vast and varied as Alberta it would be impossible for any man at any time to define all the points of policy that would affect each locality, therefore I do not attempt to do so here. I hope from time to time, however, in the course of the contest, to have the opportunity to discuss fully with the electors at most of the principal centres of population, all matters that may come up for discussion, in whatever shape they may appear. That such a vast region, having such a large population and such important interests should be accorded only one representative is as plain a case of injustice as is required to show the glaring failure of party representation to secure the people in even their simplest rights. The matter of railway extension and railway rates particularly in the north and the question of irrigation in the south seem to be the great questions affecting the interests of the district with which parliament will from time to time have to deal. I need not point out that while these are vital questions to Alberta, they are not party questions at all, and it is all the more necessary that your representative should be in a position to advocate your interests in regard to them in parliament without party hindrance even if he has to do it without party support.

Speaking generally I may say that I will support a policy of development for Alberta, and while I will not bind myself to ask for favors for any section or interest I will bind myself to do all in my power to see that each section and every interest receives fair and equal treatment.

In conclusion I will say that although I have no personal interest to serve or ambition to gratify by entering upon this contest, yet having entered upon it in good faith I shall do all I can to win, and ask for the active assistance of every man who believes that the success of the principles which I have been selected to advocate would be in the interest of this constituency and of the country.

Respectfully Yours,

FRANK OLIVER.

EDMONTON, March 4th, 1895.

THE LIEUTENANT GOVERNOR'S VISIT.

Lieutenant Governor Mackintosh and party visited Fort Saskatchewan on Wednesday. They were escorted by Major Griesbach and accompanied by F. Fraser Tims, M. L. A. and F. E. Wilkins, late M. L. A. for Red Deer. On reaching Fort Saskatchewan they were entertained at lunch by Major Griesbach. At 2 p. m. His Honor and party went to the Mansion House, the dining room of which was tastefully decorated for the occasion. The following address was read by F. Fraser Tims, M. L. A. for Victoria:

To the Honorable Charles Herbert Mackintosh, Lieutenant Governor, N. W. T.

SIR: We, the citizens of Fort Saskatchewan and settlers of the surrounding district, cannot allow this opportunity to pass without expressing our pleasure at seeing you on your first official visit to this portion of Northern Alberta, and we are glad to hear that Your Honor has been restored to health and strength, which we sincerely hope you may be long spared to enjoy.

This section of the country is a magnificent one, and it can be truthfully said that it has been greatly favored by providence with a rich and productive soil, abundance of wood and water, also gold and other minerals, and blessed with a thrifty and hard working class of settlers.

The progress of the country is greatly retarded through the want of railway communication, but this bar to our prosperity

will, we trust, ere long be removed and the whole Saskatchewan valley given a chance to compete on even terms with the balance of the Northwest Territories.

The people of this section of the country are gratified at the exertions put forth by the Dominion government in the endeavor to ascertain definitely whether petroleum exists in paying quantities on the Athabasca river, 70 miles north of this town, and are anxiously awaiting news of the result, which if favorable means the establishment of a large industry by having at our door one of the principal staples of modern use.

Another great factor towards the advancement of this portion of Northern Alberta will be the development of Peace river district with its great mineral deposits, fur bearing animals, fish and productive soil.

Taking the above into consideration we think it would be a step in the right direction if a trail were surveyed and the government telegraph line extended from this point to Athabasca Landing, it being a shorter and more direct route than from any other.

Adverting to the matter of railway communication and facilities, we would assure Your Honor that we are in complete accord with the Edmonton board of trade in their report as submitted to the freight rates commission.

In conclusion we would say that of Your Honor's great interest in this section, and the whole Northwest, we have always been assured, and a further proof is your late action in securing a Territorial exhibition to be held at Regina, which we consider will do more to make known to the world at large the many and varied advantages of the Territories than could be done by any other means.

We greatly regret that your first visit should be at so unfavorable a time of the year, and trust that we may have the honor of again seeing you in the near future, and that your trip can be arranged for a more reasonable time in order that you may see our country to better advantage and with greater comfort to yourself.

With our best wishes for the future happiness and prosperity of yourself and family.

We have the honor to be, Sir,

Your obedient servant,

F. FRASER TIMS, M. L. A.

On behalf of the town of Fort Saskatchewan.

J. L. PORTE,

President.

W. WALKER,

1st Vice President.

H. E. IRWIN,

2nd Vice President.

On behalf of the members of the Fort Saskatchewan agricultural society.

His Honor made a suitable reply and Mr. Haultain also spoke. A reception was then held and a large number of citizens and settlers were presented to His Honor. The party left Fort Saskatchewan about 4 o'clock and reached Edmonton at 6 p. m.

On Thursday His Honor visited St. Albert, making a short informal call to the Edmonton public school on the way where he listened to several songs and recitations by the pupils. On reaching St. Albert bridge about 11:30 an anvil salute was fired. As the party drove up to the gateway to the Bishop's palace the mission band under the leadership of Mr. Joseph Varin played the Twilight Quickstep. His Lordship Bishop Grandin accompanied by his clergy met His Honor at the gate and escorted him to the platform of the palace when His Lordship read an address in French.

D. Maloney M. L. A. for St. Albert then read in English the following address from the citizens of St. Albert:

MAY IT PLEASE YOUR HONOR.

On this the occasion of your first visit to St. Albert, we have much pleasure in extending to you a cordial welcome. Though most of us, frontier farmers, merchants and mechanics, are personally unacquainted with you, yet we are well aware how interested you are in all that concerns the welfare of our land, and how deeply you sympathize with us in our efforts to forward the great enterprises of colonizing and developing this vast country. It is then with all the more satisfaction that we meet you to assure you of the great faith we have in the future of our country under your enterprising influence. This wheat growing area of which St. Albert may be regarded as the centre, has never been estimated. Our unsurpassed beauty of climate and fertility of soil, the abundance of fuel and water found on every side, all unite to make this district one of the most inviting to all seeking a home in the Territories. It is also with legitimate pride that we call Your Honor's attention to the educational work done in our midst. Our school under the direction of the good Grey Nuns is second to none in the Territories, being in so many respects truly a model one, notwithstanding the great difficulties met with, arising chiefly from difference of language, birth and race; difficulties seemingly so misunderstood by those whom we would naturally expect to understand them. These, we trust, under your mild rule will gradually disappear and our schools be left unmolested and free to exercise the judicious teaching of those whom we think fully competent to direct them.

We have also an hospital and industrial school under the management of the Rev. Sisters of Charity, whose zeal and singleness of purpose in doing good, and whose civilizing influence are beyond any effort of ours to justly value. These advantages are still more enhanced by the residence and presence of our beloved Bishop and the devoted Oblate Fathers whose indefatigable zeal in the cause of religion and civilization is too widely known to need further mention here. In conclusion we would again wish Your Honor a hearty welcome to St. Albert and trust that your brief sojourn here may be a souvenir of unalloyed pleasure.

Signed,

D. MALONEY.

H. W. MCKENNEY.

W. CURT.

A. PERREAUX.

L. LEONARD.

His Honor replied to both addresses

in suitable terms, and the party proceeded to the St. Albert school. The school room was appropriately decorated for the occasion with rose and green net hangings caught up with roses and the mottoes, "God Save the Queen," "Honor to our worthy Lieutenant governor," "Hail noble guest," "Joy reigns supreme," "Gratitude," "Welcome," etc., beautifully worked. As the party entered the school room the band played "Marching through Georgia." His Honor and party and invited guests then took seats on a raised platform with Bishop Grandin and his clergy, while the children of the school sang, "God save the Queen." A song, "Greeting of welcome," by the school choir followed. An address in English was then read by Miss Jane Maloney, as follows:

To His Honor Charles Mackintosh, Lieutenant Governor N. W. T.

MAY IT PLEASE YOUR HONOR.

With the first sunny breezes of returning spring were waited to us the glad tidings of your proposed visit to our northern clime. The bright anticipation of this great treat has filled our hearts with the purest joy.

As we timidly glance upon you we recognize in your person the representative of our gracious Queen whose noble qualities and unnumbered virtues have endeared her to the hearts of all her subjects. Nurtured in the practice of our duty to sovereign authority we deem it a great honor to tender to you these sentiments of our respectful homage and to wish you a thrice happy welcome to St. Albert. Deign to accept our respectful consideration and sincere thanks for the great favor of your visit. We will convey our gratitude to the throne of the Most High, praying that the choicest blessings of heaven may fall upon you and your beloved family.

The pupils of St. Albert academy.

An address in French was also read by Miss Alida Robillard. This as well as all the other addresses presented on this occasion was beautifully engrossed and illuminated, the work of the Rev. Sisters of Charity. A song, "O Canada," by the school choir, followed. Then a joint recitation in which Misses Marie McKenney, Constance de Cazes, Maggie O'Neil, Lily Montie and Emily Maloney took part. Each performer expressed a kind wish to the distinguished visitors and as she concluded displayed a gilt letter. When the recitations were completed the letters formed the word "Welcome." A song, "The Maple leaf," by the school, closed the programme. His Honor then addressed the children, and they were granted the usual half holiday. Two hundred children were present and the school has an average attendance of 150. When the children had been dismissed the party proceeded to the convent dining room where lunch provided by the Rev. Sisters was served. The band played "Fort Worth Quickstep," and "Paradise Polka," during lunch, and caused general remark by the excellence of their playing. After lunch the party proceeded to the palace where a short time was spent in social conversation. The party returned to town about 6 o'clock in the evening.

VISITING THE SCHOOLS.

The lieutenant governor and party escorted by the reception committee of the town council visited the Edmonton public school on Tuesday morning about eleven o'clock, and were received by the board of school trustees. A number of visitors were present. The pupils of the four departments with their teachers were assembled in the largest room, that of the first assistant, which had been decorated for the occasion and as His Honor and party came in the children sang "The maple leaf forever." The following address was then read by Master Robbie McDonald:

To His Honor Lieutenant Governor Mackintosh.

HONORABLE SIR: The pupils and teachers of the Protestant public school of the Edmonton district, in school assembled, desire to express their pleasure at your visit on this your first official tour in this part of the Territories. They tender you their warmest wishes for a pleasant and profitable occupancy of your high and honorable office.

They desire to express to you their appreciation of educational regulations and institutions of these Territories. They recognize that their privileges in this respect are far superior to any such enjoyed by their forefathers and hope and trust that they may prove worthy of the present enjoyment and of the future continuance of these precious privileges.

As the representative of Her Most Gracious Majesty Queen Victoria, they embrace the opportunity of conveying through you to her an expression of the loyalty of the rising generation of these parts of Her Majesty's domain. Their prayer is that she may long live to be the same gracious Sovereign whose affectionate heart, sound judgment and motherly instincts have, so far, so graciously ruled the many millions of the vast British Empire.

Signed on behalf of the pupils and teachers of the Edmonton public school.

ROBBIE McDONALD.

His Honor made a suitable reply expressing his interest in the schools and school work of the Territories, and encouraging the children to proper efforts in order to worthily fill the high positions that at no very distant day they or some of them would in the natural course of events be called upon to fill.

Messrs. Haultain, Wilson, Tims, Oliver and Judge Scott, spoke shortly. "God Save the Queen," was then sung by the children.

The party proceeded to St. Joachim's separate school where they were received by Mr. Beck, chairman of the board of trustees, and a short programme was presented as follows: "Clayton's Grand March," by Master P. Donovan. Chorus, complimentary welcome to His Honor. "The Peace maker," by the junior boys. Recitation, "Suppose," junior girls. Duet, "Slowly and Safely." Musical drill by little boys. Recitation, "America and her sister continents," by the senior girls. Address to His Honor beautifully illuminated, read by Master Duplessis.

To The Honorable C. H. Mackintosh, Lieutenant Governor of the N. W. T.

MAY IT PLEASE YOUR HONOR. We the pupils of Saint Joachim's school have much pleasure in extending a cordial welcome to Your Honor.

We are well aware of your deep appreciation of the work of education on which is based the individual character of the citizens of Canada, and in consequence the future welfare of our country.

It is a happiness for us to be allowed to present to Your Honor to-day the assurance of our obedience and to reverence for the authority invested in your person which is one of the first lessons we are taught, and we thank Your Honor for the opportunity so graciously afforded us.

We trust that your visit to our town may be one of unalloyed pleasure and we beg to be permitted to express the hope of seeing you frequently amongst us.

We shall preserve a grateful souvenir of your visit, and, from the pleasure of its memory and the encouragement it has brought, shall spring new efforts and new hopes.

In return we pray that Your Honor may long grace your high position, that the Almighty may bless all your undertakings, and that each member of your household may be enriched with all the blessings that adorn and sweeten life.

Convent of the "Sisters Faithful Companions of Jesus, Edmonton, Alberta. Feb. 26th, 1895.

His Honor made a suitable reply expressing his kindly appreciation of the work being done in Catholic as well as in Protestant schools.

Mr. Haultain also spoke in appreciative terms.

Chorus, "The Maple Leaf."

His Honor and party then visited the residence of the Rev. Fathers of St. Joachim's mission and were afterwards driven around town until lunch time.

SUPREME COURT.

Court opened in Robertson hall on Tuesday forenoon, Feb. 28th, Mr. Justice Scott presiding.

Upon the opening of the court N. D. Beck, Q. C., addressed the judge, saying that before the regular business of the court was entered upon he desired in the name of the Edmonton bar to address a few words to his lordship. This was the first occasion since his lordship's elevation to the bench on which his judicial duties had brought him to Edmonton and the Edmonton bar desired to take the opportunity to congratulate him upon the attainment of that high position. It was an honor to which most of those who take the higher walks in the profession look forward to. While bringing honor it doubtless brought its new duties and no doubt greater responsibilities. It was to be regretted that it did not also bring the just recompense of an adequate income. Mr. Beck said the bar congratulated his lordship, but they also congratulated themselves. They recognized the fact that at the date of his lordship's appointment he held the highest rank at the Territorial bar, and that while he was the choice of the authorities he was also the choice of practically all his brethren of the Territorial bar. The bar had further reason for congratulating themselves in as much as his lordship's appointment had doubtless established the principle that all future appointments to the Northwest bench shall be made from the Northwest bar. Mr. Beck closed by tendering to his lordship the congratulations of the Edmonton bar.

His lordship replied thanking the bar for their kind words of congratulations. His best efforts would be used to fulfil the duties and responsibilities of the position, and he relied with confidence upon the bar assisting and co-operating with him to that end.

N. D. Beck then presented his commission as Queen's counsel.

After the race had been run but before the money was paid over the plaintiff demanded his money deposited, back. Upon refusal he sued for \$31.00, the amount deposited. On behalf of the plaintiff it was contended that he could demand his money back at any time before it was actually paid over, while the defendant claimed that the plaintiff must make such demand before the event came off, as so soon as the event was over the money became that of the winner, and the plaintiff ceased to have any interest therein. After hearing the evidence decision was reserved.

FOR CREAMERY.

At a meeting held last Thursday evening in Mr. Woodworth office, the following officers were appointed, and resolutions adopted, for a creamery to be established in this district: T. G. Hutchings, president; R. McKernan, Vice president; Wm. McLaren, Secretary, H. Wilson, Treasurer; A. J. Bangs, Auditor.

It was resolved that a committee of seven be appointed to transact the business of the creamery. The committee appointed were: J. Kennedy, E. J. Bangs, J. Barry, Aug. Schatz and F. Gainer. It was resolved that the committee be empowered to select a site for the creamery, and carry on the business, at once. Shares were placed at \$10 each, and no one to hold more than twenty shares. Stock was fixed at \$20,000. The next general meeting of shareholders to be 9th March, in the town hall, Edmonton. The best means of obtaining good cows was discussed and left for the committee to arrange.

Winnipeg council of the Royal Templars of Temperance does not agree with the resolution adopted at the session of the grand council last week, endorsing the Patron candidates in the coming election. A motion was introduced last night, and carried, that temperance electors should vote for know prohibitionists, of any political party, when the Patron candidate is not in sympathy with the movement.

CURLING.

The competition for the president's medal is nearly completed. The remaining rinks yet to play are: Rev. D. G. McQueen—T. G. Lauder, J. H. Kelly—A. F. Degagne, Jas. McDonald—A. F. Degagne. Rev. D. G. McQueen and T. G. Lauder have won five each out of seven games played and Jas. McDonald has six games out of seven to his credit.

For the MacDonald cup there are yet several to compete. Messrs. Taylor, Lauder, Raymer and McAdam appear to have good chances.

SNOW FLAKES FROM OLDS.

The past ten days have been pleasant ones indeed and were thoroughly enjoyed by us Olds folks, since the preceding two weeks were very disagreeable, the mercury on two different occasions dropping down (not out of sight) but to nearly 40°. Yesterday came out particularly fine but by 2 p. m. the soluble white fell upon us once more.

The farmers of this section feel very buoyant over the prospects for crops this season. So "mote" it be.

The public school is running smoothly under the efficient management of Donald McLeod who came here direct from Michigan but emanates from Ontario.

A union gospel temperance meeting was held in Walker's Hall recently and has become a permanent affair, another service to occur in the hall next Sunday, 3:15 p. m. The promoters are trusting that by this medium great temperance sentiment may be manufactured in a given time and that it will also be an assistance to other societies.

Steps are being taken by some of the leading citizens towards organizing a reading room and renting quarters for the accommodation of its patrons. Good scheme. Hope it goes.

The Good Templars' lodge is "lodged," we're sorry to announce, but a meeting of its active members will occur to-morrow evening for the purpose of manufacturing the organization into a temperance literary society, thus endeavoring to reach a greater number at a less per capita cost. Friends of the prohibition work are anxious for the success of any temperance organization.

A prospecting party is being organized preparatory to a tour up the rivers and already huge "gobs" of gold—in anticipation—are rolling up before the members of this little party.

Our popular rancher, Pat Burns, afforded considerable amusement to the natives of this place by "straggling" in with 700 head of feeders aboard a special from the south last Tuesday. It was a great sight and took over four hours to unload.

Our veteran hay men, the Murrays, of Murray valley, will ship two cars of hay south to-morrow.

A determined effort is being manifested by the farmers to secure either a cheese factory or a creamery in Olds and the solicitors are meeting with considerable encouragement.

And just think of it! Olds, our Olds, this Olds right here, is said to be very favorably looked upon as a spot in which to start a bank. It is to be a private affair but will transact a general banking and broker business.
